Dogs easily become a part of our family. But, before that since they are available in various breeds we tend to stress and be subjected to confusion when choosing the breed. As such, the investigation of we rate dogs twitter account data gave us some insights about dog breeds, their names and the most favorite and popular ones as well.

The dataset that was wrangled (and analyzing and visualizing) is the tweet archive of Twitter user **@dog_rates**, also known as **WeRateDogs**.

WeRateDogs is a Twitter account that rates people's dogs with a humorous comment about the dog. This archive contains basic tweet data (tweet ID, timestamp, text, etc.) for all 5000+ of their tweets as they stood on August 1, 2017.

The data was wrangled and the final clean dataset was used for deducing conclusions and insights. Lets look at some interesting insights and visualizations

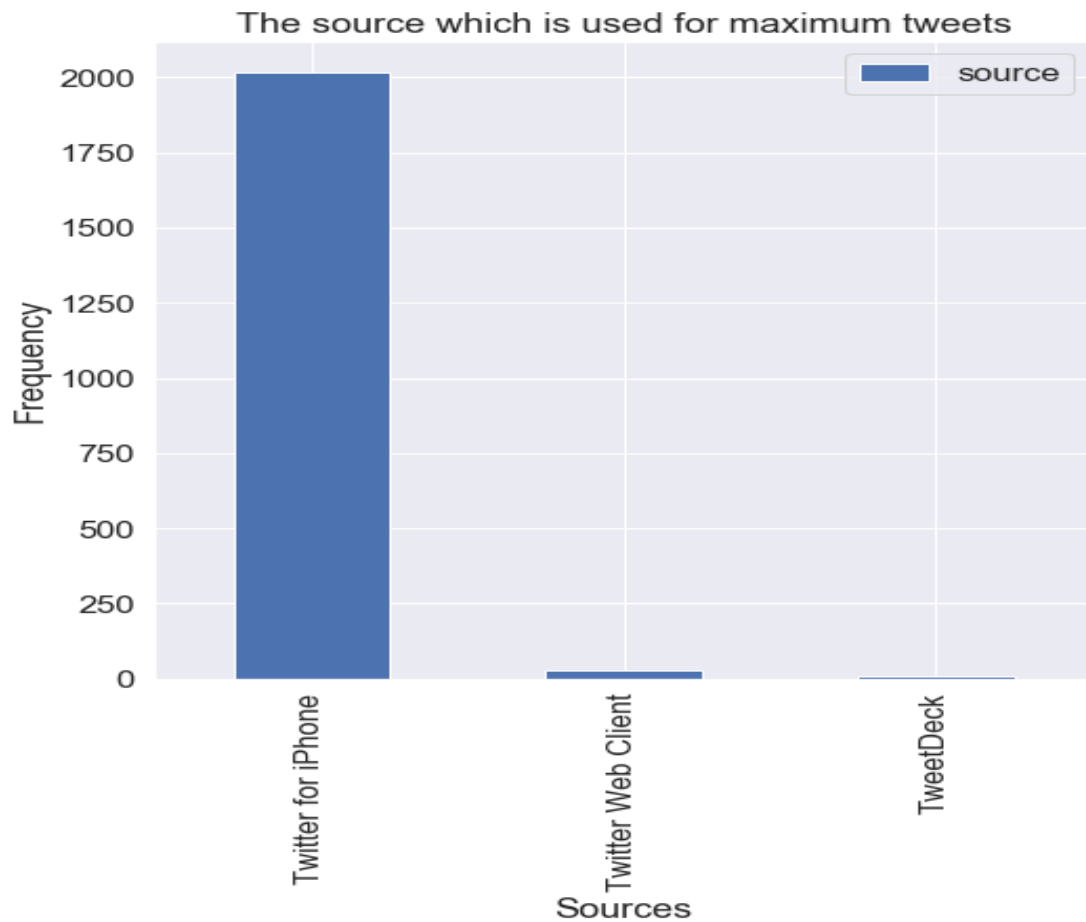

1.Which breed is the most tweeted breed?

The Top Five Breeds are Golden Retriever, Labrador Retriever, Pembroke, Chihuahua and Pug

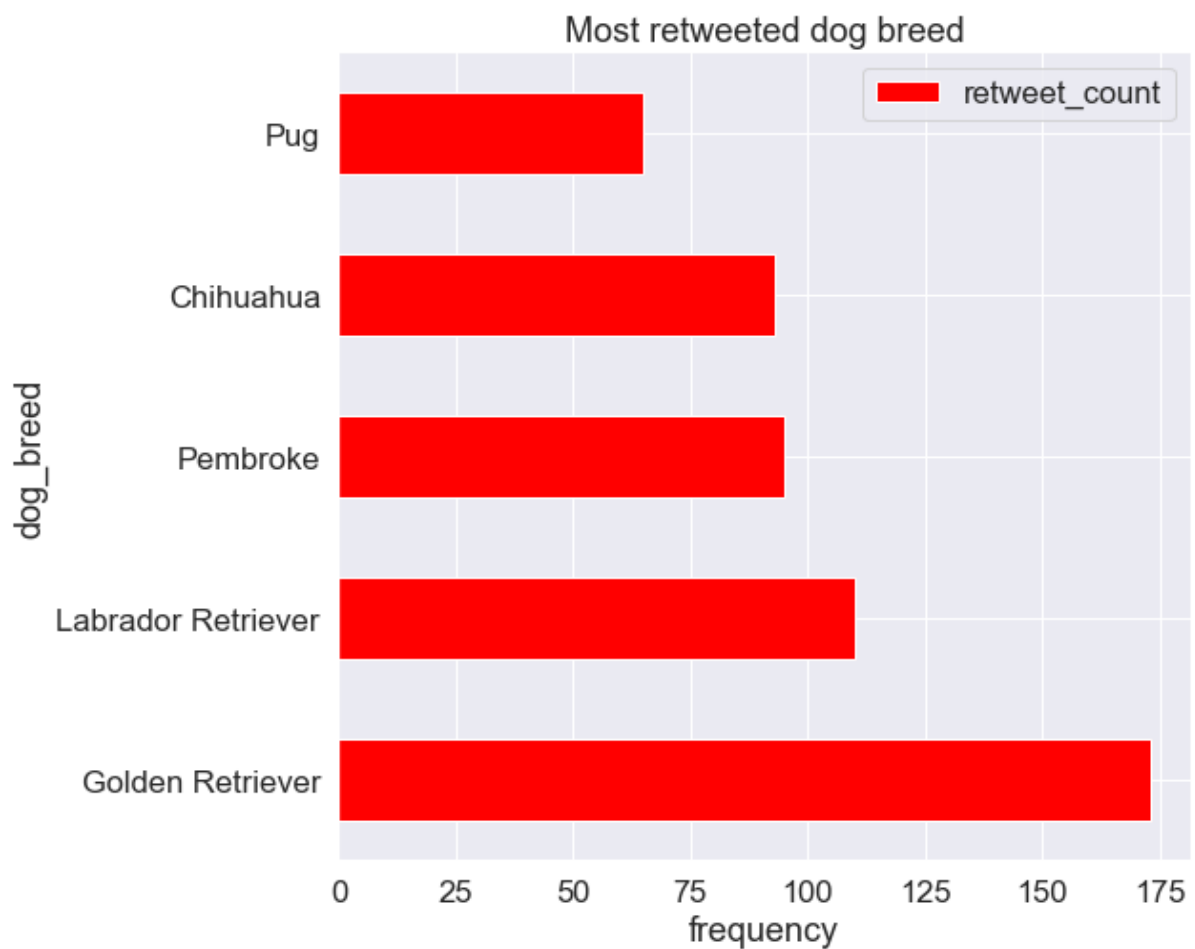

The trophy of most popular breed is given to Golden Retriever as it occupies the first position.

2. From which source Maximum Tweets are Tweeted?

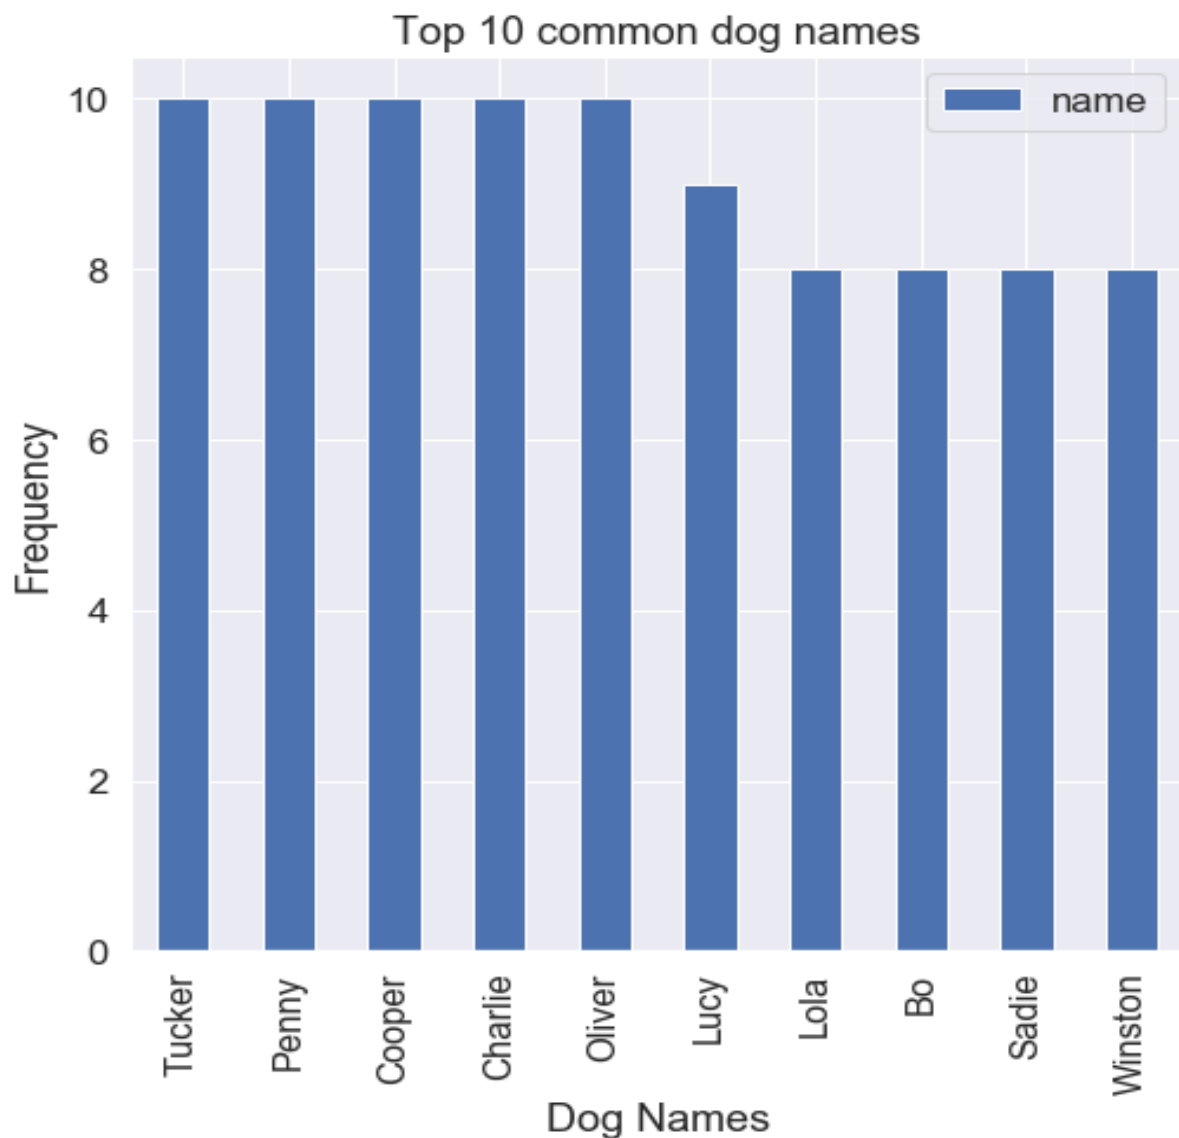

Most of the tweets came from the iPhone users that is Twitter for iPhone is the popular source with a frequency of 2019. Looks like everyone is an iPhone lover.

3. Which Breed has the most retweets?

This is interesting, the popular dogs are the most retweeted dogs. This means that Golden Retriever is again the winner.

4.Which dog name is the most commonly used?
